Report of the Grand Historian and History Committee

Project: All charges were completed and the recorded history was updated from reports from chapters and archived editions of *The Mask*. The update will be given out to attendants and delegates at the Grand Council Convention and the material will be made available via the Kappa Psi Website.

Recommendations for the future: All future Grand Historians should review every edition of *The Mask* and update each chapter history for significant events. At the end of their term, he or she should send the files to be uploaded onto the Kappa Psi Website.
